

EMPORIO REFORMA

Consult your travel agent or call us direct. Special rates and offers for groups and conventions.

■ Location:

The Emporio Reforma stands on Mexico City's main avenue, Paseo de la Reforma, close to the Angel of Independence and the US embassy. Comfortable and elegant, this boutique hotel combines European charm with early 20th century architecture and contemporary fixtures and furnishings in its fully renovated guest rooms.

■ General information:

The lobby has been decorated with pink marble, large mirrors and brass details to create an ambience of refined elegance, while our tranquil guest rooms isolate you from the noise of the city outside.

■ Additional services:

Enjoy a tour of the Historic Center of Mexico City, whose restored streets have recovered the beauty of this one-time City of Palaces. Emporio Reforma is a stone's throw from the city's major cultural, commercial and business centers, which means you can take in an exhibition, attend a show and visit some of the most important museums in the country without having to travel too far afield. Other services and amenities include:

- Tourist information, tour and car rental assistance
- Bar-restaurant
- Front desk and in-room safe-deposit boxes
- Currency exchange for guests
- Business Center
- Emporio Gym
- Meeting rooms
- Free parking for guests
