SEARCH FOR HARMONY

Here at Oriental Spa, we have created an offering of innovative therapies to promote all-round wellbeing in a luxurious and comfortable environment. Let us harmonize your body and mind with powerful healing energies. We merge eastern philosophies with western technology to transport you deep into an oasis of tranquility, where you will find the peace and serenity that you have been searching for.

Every Oriental Spa experience begins with the therapist guiding you to explore your highest level of relaxation. Through an intuitive act, you will choose from a selection of quartz stones – each one serves to harmonize the vital centers. The crystals are used in different ways throughout your experience in order to produce a sense of balance and wellbeing.
